DIABETES UPDATE

Presented by: Vanderbilt University Medical Center, Department of Education and Professional Development, and Vanderbilt Eskind Pediatric Diabetes Clinic.

Saturday, September 15, 2018

7:30am-1pm

4.0 hours

DIABETES UPDATE 2018

Lipscomb University
Swang Center
3901 Granny White Pike
Nashville, TN 37204-3951

Course Objectives

1. Review the management and treatment goals of sick day guidelines to avoid DKA.
2. Discuss the reasons that children and adolescents have problems with adherence and identify behavioral strategies to improve motivation for diabetes care.
3. Discuss what's new in diabetes technology for 2018 as well as a glimpse of what's to come.
4. Demonstrate the use of insulin pump therapy and continuous glucose monitors including recent advancements in automatic insulin delivery.
5. Describe management strategies in children and teens with diabetes and apply knowledge using a case study approach.
